The Glass Blower's Strike Ended. PITTSBURGH, July 22.—The strike among the glass blowers in this vicinity, among the glass blowers in this vicinity, which has continued about one year, is now at an end. The various manufacturing establishments are resuming business. The strike was caused by a proposed reduction of wages, the Eastern establishments being able to manufacture glass cheaper than it could be done here. The men are now willing to resume work at a reduction of about 20 per cent below for-mer prices. In a short time all the manufactories will be in operation.

Strike in the Marquette Mines. DETROIT, July 22.—The miners in the Lake Superior, Cleveland, New York, Lake Angeline and Barnum mines, at Marquette, have been on a strike since the 20th inst. The miners have thus far been orderly, but they guard the mines and will not allow any workmen to re-main in them. The strikers number about 2,000 men, composed principally of Swedes and Norwegians, the Irish and Cornish not being in the strike.

The great agony is over and the peo-ple have at last asserted that there shall be no more of their money thrown into the Ohio river (or any other waste place), and now perhaps it will be a fit time to enlighten Capt. McLure as to his oppon-ents in the great struggle of the People es. the Ring. The Captain seems to think that the parties are either the employes of the two great corpora-tions or irresponsible parties and afraid to give their names. Now, Captain, there is a certain modesty that sometimes takes possession of some good men as well as bad ones, and every body does not desire to see his name in print. But if it will to see his name in print. But if it will satisfy you in the least, Captain, I will say that Mr. Anthony Lally resides at 146. The earnings of the road, on the other hand, had reached, just before the panic of September last, an average of \$38,000 per month. Under ecarful, economical management the road had been operated for 50 per cent of its earnings, leaving therefore, a surplus of \$19,000 per month more than enough to take care of its in-terest. During the summer of last year two prominent railway capitalists of New York had been here, gone over the line, examined its resources and expressed the opinion that with a competent equipment and vigorous management it would soon become one of the most profitable railways of its length in the country. They said to the President of the road: "Go on said to the resident of the roat: "40 on and complete your equipent, order all the machinery you need, and we will take your second mortgage bonds for all your necessities." Thus assured, the managers of the company at once contracted for machinery, and thereby entered into obligations from which they could not subsequently with-Helmhold's Buchu is still in the zenith of its popularity. s a substitute for Soap for all Household pur-poses, except washing clothes. SAPOLIO or Cleaning your House will save the labor of me cleaner. Give it a trial.

SAPOLIO for Windows is better than Whiting or Water. No removing curtains and carpets.

SAPOLIO

cleans Paint and Wood, in fact the entire house, better than Soap, No slopping. Saves labor. You can't afford to be without it. SAPOLIO for Scouring Enives is better and cleaner that Bath Brick. Will not scratch. SAPOLIO

SAPOLIO olishes Brass and Copper utensils better than cid or Oil and Rotten Stone. SAPOLIO

SAPOLIO removes Stains from Marble Mantles, Tables and Statuary, from Hard-finished Walls, and from Jhina and Porcelain. SAPOLIO

Washing Dishes and Glassware is inval saper than soap.

There is no article known that will do so many kinds of work and do it as well as Sapolio. Try it. BAPOLIO a new and wonderfully effective Tollet Soap, having no equal in this country or abroad.

SAPOLIO as an article for the Bath, "reaches the foundation" of all dirt, opens the pores and gives a healthy ac-tion to the skin. HAND SAPOLIO

Cleanses the Skin, instantly re-moving any stain or blemish from both hands and face. BAPOLIO is without a rival in the world for preventing roughness and chap-plag of either hands or face. BAPOLIO

removes Tar, Pitch, Iron or Ink Stains and Grease; for workers in Machine Shops, Mines, &c., is in-valuable. For making the Skin White, it is unsurpassed by any Soap known. HAND SAPOLIO costs 10 to 15 cents per cake, and everybody should have it. You will like it.

DON'T FAIL TO TRY THESE GOODS. Buy it of your merchant if he has it or will procure it for you. If not, then write for our Pamphlet, "All about Sapolio," and it will b
